ABOUT

OUR COMPANY

Ventilation Industries Company (VIC) is a leading manufacturer and supplier for Air Distribution, Air Controls and Acoustic Products with international experience and technologies to the HVAC market throughout the GCC Region. By securing manufacturing License Agreement from leading international Manufacturers, we place ourselves among the leading manufacturers in the GCC Region. Our products are meeting the highest international standards requirement applicable to the industrial, residential and commercial facilities. By offering a new, vibrant approach to the HVAC industry within the region, we bring a wealth of international experience and a range of innovative products. With top notch manufacturing facilities in the Kingdom of Saudi Arabia, we are strategically placed to manufacture quality products to all of our customers throughout the GCC Region.

Complying with international standards such as AHRI, UL, ASTM, ANSI, SMACNA, AMCA and ISO, our products range includes UL listed Fire and Smoke Dampers, UL Listed Duct Heater, Variable Air Volume & Sound Attenuators.

WHY

VENTILATION INDUSTRIES

VIC has a manufacturing facility fully equipped with the most sophisticated machinery and tools which is located in Dammam Industrial City-3. The company has the richness of an experienced workforce, fully conversant with all aspects of their tasks and by enforcing a strict code of safety requirements for all our employees. All products are regularly monitored and with strict quality control procedure and thereby ensuring the best products.

Our strength is in the international technologies and recognition coupled with local experiences, market approach, analysis and entry, putting service before profits, with a solid, experienced management team and dedicated and enthusiastic group of employees.

Ventilation Industries Company is approved for its Quality management system and Health & Safety Management System and was awarded ISO 9001:2015 and OSHAS 18001:2007 respectively

VISION

To be the leading manufacturer for Air Management and Control Products in the Middle East and North Africa by focusing centrally on our customer experiences & success.

MISSION

To help with project's cost, time and quality outcomes by providing our clients with:

- Great products as per international standards and certifications;
- Independent and transparent professional advice;
- Our extensive product knowledge and product range.

PROUD LOCAL MANUFACTURER – WITH INTERNATIONAL EXPERTISE.

Registration Approval Letter

July 31, 2019

Attention : VENTILATION INDUSTRIES COMPANY

CR Number : 2050089676
Country : Saudi Arabia

We are pleased to inform you that VENTILATION INDUSTRIES COMPANY is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10064790, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center +966 (13) 874-2222.

Adnan Ali Jamaan, Supervisor
Supplier Registration Unit
Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:

1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

6000001864	DAMPER; VOLUME; MANUAL, HVAC AIR DUCTING

*Approved with limitations

This approval, however, should not be construed as a commitment by Saudi Aramco to purchase from you. Being approved as a supplier only grant your company the opportunity, along with other approved sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All purchase agreements and orders will be issued based on the name and address stated in your commercial registration (CR), as stated above.

Saudi Aramco wishes to remind you that being recognized as a potential supplier is a privilege which carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any purchase agreements or orders which might be placed and to act responsibly and reliably as a supply chain supplier.
